INDEPENDENT AUDITOR'S REPORT

The Member
Salomon Whitney LLC

We have audited the accompanying statement of financial condition of Salomon Whitney LLC as of December 31, 2008. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the Statement of Financial Condition presents fairly, in all material respects, the financial position of Salomon Whitney LLC at December 31, 2008, in conformity with accounting principles generally accepted in the United States of America.

SALOMON WHITNEY LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008

1. Organization and Nature of Business

Salomon Whitney LLC (the “Company”) is a Limited Liability Company registered in the State of New York. The Company is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Regulatory Authority (“FINRA”). The Company is wholly owned by Angia Holdings LLC.

The Company operates under the provisions of Paragraph (k) (2) (ii) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k) (2) (ii) provide that the Company clears all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmits all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

2. Summary of Significant Accounting Policies

A. Revenue Recognition

Commission income (and the recognition of related income and expenses) is recorded on a settlement date basis, generally the third business day following the transaction date. There is no material difference between trade and settlement date.

B. Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Company considers demand deposited money market funds to be cash and cash equivalents.

C. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, revenues and expenses.

D. Commissions

Commissions and related clearing expenses are recorded on a settlement date basis as securities transactions occur.

E. Fixed Assets

Fixed Assets are carried at cost. Depreciation is provided on a straight-line basis using estimated useful lives. Additions and betterments are capitalized, whereas the costs of repairs and maintenance are charged to expense as incurred.

3. Income Taxes

As a Limited Liability Company the Member is subject to any taxes on income that the Company may earn. Therefore, there is no provision nor benefit for income taxes in the accompanying Statement of Income.

4. Commitments and Contingencies

The Company is obligated under the terms of a lease for the period February 1, 2008 through February 1, 2011. Rent expense for the year ended December 31, 2008 amounted to \$38,500.

The future minimum lease payments are as follows:

For the year
ended December 31,

2009	\$ 42,000
2010	42,000
2011	<u>3,500</u>
	<u>\$ 87,500</u>

5. Financial Instruments with Off-Balance-Sheet Credit Risk

As a securities broker, the Company is engaged in arranging for the buying and selling of securities for a diverse group of institutional investors. The Company's transactions are executed with and on behalf of banks, brokers and dealers and

other financial institutions. The Company introduces the buyer and seller of these instruments for an agreed upon commission.

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair the customers' ability to satisfy its obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount.

The Company seeks to control the aforementioned risks by monitoring all transactions entered into on a daily basis and insuring that no incorrect trades are recorded.

6. Net Capital Requirement

The Company is subject to the Securities and Exchange Commission's Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1,500%. At December 31, 2008, the Company's net capital of \$ 58,411 was \$ 53,411 in excess of its required net capital of \$ 5,000. The Company's capital ratio was 35.2%.
